

# RP FLETCHER MACHINE CO.

## FM-34 VEB EDGE BANDER.

The FM-34 VEB Single Side Edgebander is a standard single-sided, compact edgebander based on the high production FM-45 EB Model. The machine's features include: Universal Magazine, Glue Pot, Bandfeeder, Guillotine, Pressure Roll, 1 HP End Trim, 1 HP Top and Bottom Fine Trim and Environmental Enclosure over trim stations. Virtually all components on this machine excluding electric motors and castings are produced in our factory in Lexington, N.C..

As with all Fletcher Machine products, we offer full parts and maintenance item inventory, and the dependability and service that Fletcher Machine has been known for since 1963.

There is only one  
slightly used FM-34 VEB  
at this Great Saving price!
