PERFECT ALIGNMENT EVERY TIME...

MMG SERIES

GREEN LIGHT LASER

8

**TIMES BRIGHTER THAN
EQUIVALENT POWER
RED LASER.**

The MMG model is FP Industries' answer to the problem of high luminosity workplaces. The MMG although small in size packs 8 times the brightness of an equivalent power red laser. This green light laser is highly visible in all lighting conditions, allowing clean, crisp laser lines. The MMG makes your job easier to align period.
